

One Approach. Three Flexible Ways to Engage.

Empower early childhood classrooms, educators, and families with culturally responsive, music and story driven curriculum integration. Choose in-person visits, classroom implementation kits, digital app access—or combine all three for a connected school-to-home ecosystem.

✓ THREE WAYS TO IMPLEMENT THE C.A.M. APPROACH

1 IN-PERSON VISITS

Bring the learning experience directly to children.

- Interactive storytelling, literacy, music & movement
- Supports social- emotional and cultural learning
- Up to 50 children per 45-minute session
- One-time, monthly, quarterly, or customized visits

2 CLASSROOM PACKAGES

Give educators tools to continue the learning every day.

- Hardcover storybook collection
- Music and audio resources
- Educator implementation guide
- SEL and classroom activities
- Virtual educator training

3 APP ACCESS

Extend learning and family engagement into the home.

- Digital stories and character-based SEL
- Spanish and French language exposure
- Songs, games, and family activities
- 12-month child and family access

CONNECTED SCHOOL-TO-HOME LEARNING LOOP

1. IN-PERSON

Sparks wonder & engagement

2. CLASSROOM

Reinforces daily skills & routines

3. APP AT HOME

Deepens family involvement

WHAT YOUR INVESTMENT SUPPORTS

Literacy • Social-Emotional Learning • Cultural Appreciation • Educator Support • Family Engagement

Each option can be purchased independently or combined to create a continuous learning experience from the live visit to the classroom and home.
